Archery

By Manish Borah, Archery Captain

Archery is a sport which has been popular from ancient times. Like all sports it requires concentration, focus, attention and consistent practice. The archers of The Assam Valley School work hard with unrelenting endurance in mastering the skill of Archery.

The archers of the school won a few laurels in the SGFI Archery competition held in November 2017 at Jagdalpur. The achievers are Lotsulu Sazo(Class XII), Harry George Elangbam (Class X), Manish Borah (Class X) and Kaushik Rabha (ClassVI). The school had its own inter- house archery competition in which Subansiri-Namdang emerged as the winners.

Archery in The Assam Valley School is witnessing a lot of pupil participation and the school will undoubtedly produce archers for the country who will contest in the international arena in the future.
