Question 2:

[6]

Read carefully the passage given below and answer briefly the questions that follow -

I am the mother of three children. My youngest daughter is sick. She has an illness that will never go away, but it can be managed. She needs medicine to manage her illness. This medicine used to cost ten dollars a month. Now it costs thirty dollars a month. Without this medicine, my daughter has trouble breathing. Sometimes her lungs do not work well. She cannot get enough air into her lungs. Then she needs the medicine to help her lungs work again. We have to buy the medicine. We do not have a choice. But it will be hard to find an extra thirty dollars a month. Our family will have to spend less money on other things.
