

The anxiety and expectations of over a month came to a cathartic end as the much awaited moment finally arrived. The CISCE results were declared at 3:00 p.m. on Monday, 14 May, 2018, and made The Assam Valley School proud yet once again!

This year, The Assam Valley School sent up 141 students for the ICSE (Class 10) Examination and 106 students for the ISC (Class 12) Examination and all our students passed with overwhelming success.

It was with immense pride that the Head of School, Ms. Sonya Ghandy Mehta announced the result –which was an, **86.79% Class Aggregate** at the ICSE level and an **89.06% Class Aggregate** at the ISC.

*Out of 141 students who wrote the ICSE examination, 31.20% scored 90% and above, 56.73% scored 80 to 89% while 12.05% scored between 60 to 79%. At the ISC level, 52.80% students scored 90% and above, 36.70% got between 80 to 89% and 10.30% scored between 60 to 79%.*

These figures once again validate that the students are taught in the most comprehensive manner. The progressive teaching methodologies implemented have led to such durable academic health of the School. The teachers facilitate understanding and are flexible in their scholastic transactions that aid in reaping productive benefits for the students year after year.

The Head of School was pleased to announce that **Shivangini Sarmah Kashyap** (Humanities) was the **School Topper** at the ISC level with a whopping **98.75%**. She also appreciated the results of the stream toppers, namely **Shaurya Pratap Singh** from the Science stream who got **98%** and **Sahil Periwal** from the Commerce stream who got **96.60%**. It is worth mentioning that Shivangini bagged perfect scores in History and Psychology while Shaurya achieved the same in Mathematics. In fact, **37** students at the ISC level secured **perfect scores** in various subjects. **Aadarsh More** who procured **96.6%** at the **ICSE** level was the **School Topper**. A total of **28 perfect scores** were achieved at this level by our students.

The stream aggregates were equally impressive. The **Science stream** secured an admirable **90.89%**, the **Commerce stream** came next with **90.70%** and **Humanities** obtained **88.40%**.

It is not short of a feat for the School to accomplish such stellar results on a yearly basis. This is the outcome of the dedicated efforts of the teaching staff as well as the parents and the students who work dexterously. The Head of School congratulated the entire team — teachers, parents and students. The importance of being consistent and the responsibility of the School to facilitate such excellence in the coming years was emphasized by Ms. Mehta. She also elaborated on the fact that the exceptional performances of the students must be highly appreciated for they have given academics its due despite having to put in time as well as effort in various sporting and cultural pursuits. She remains ever so grateful to the School's Governing Body for their constant support to the School in each and every endeavour.

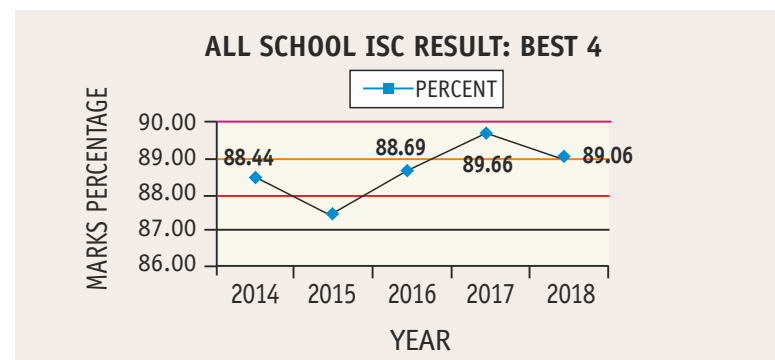

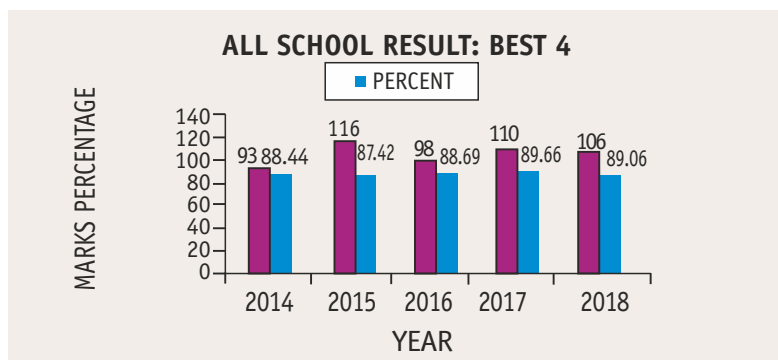

Ms. Sonya Ghandy Mehta takes this opportunity to wish every student the very best in their future endeavours. She believes and knows that Aviators will definitely leave a mark wherever they go-today, tomorrow, forever.

# Professional Development at The Assam Valley School

*Learning for life, through life and throughout life. - M.K. Gandhi*

Dr. Kuljeet Singh

Professional development is an integral part of any modern and progressive school where the school provides experts in the field to develop their staff professionally by a series of workshops and activity sessions. The Assam Valley School takes immense pride in this area of operation and a gamut of workshops were organized to enrich the teacher and the taught as well as the pastoral team.

Dr. Radhika Soundarajan, a paediatric counsellor from Chennai conducted workshops for the House staff and Resident Tutors on Anti-bullying. A separate workshop was held for the dames.

Dr. Maja Zelihic, an expert in the Flipped Classroom concept had a session on Flipped Classroom for all the teaching staff. She showed how flipping the class makes our classroom transaction more interesting. Towards the end of the winter semester, the ASSET tests were reviewed and necessary feedback was given to the teachers concerned. Ms. Mihika Mehrotra, a clinical psychologist from Fortis, New Delhi led a workshop entitled 'Weaving skills by Story Telling' for students of classes 5 and 8.

Mrs. Mita Nangia Goswami, the Chair of the Department of English had a session on Education for Sustainable Development for all staff. A major part of the professional development sessions were on the making of the curriculum development documents and performance tasks. The Systems Administrator, Mr. Rupjyoti Das conducted a session on how to centrally use cloud space to save all the curriculum documents that were prepared in the previous semester's professional development sessions.

Tata Edge Educational consultants held a session on the curriculum materials that they have in store for all staff. Mrs. Sanjala Wazir, a very experienced educational consultant conducted a workshop on 'Breaking Barriers' and 'Action Research' in August 2018. In the same month, Mrs. Dinoo Raheja, Mrs. Ishita Mukherjee and Mr. Rahul Augustine from tGelf, The Education and Leadership Foundation, engaged all the teachers in self-awareness and leadership building exercises which can further be replicated with the students.
