AVIATOR CREATIONS

A working 'Charkha' prototype on the right, made by: Nihal Jajodia, Class 8

A tribute to the frontline corona warriors– who sacrificed their life while saving patients during the ongoing COVID-19 pandemic. I used Acrylic colours as it makes it look more vibrant and fresh, I also wrote the letters with bright colours to make it look more attractive. Through my mask I have also tried to show how we can help the corona warriors, just by staying at home.
