He will be remembered for his sheepish smile, jovial attitude and poor jokes around the House and School. Sparsh bled ‘Green’ and his passion for Dhansiri will be remembered.

"It's HARD TO BEAT THE PERSON WHO NEVER GIVES UP". Ujjwal always sets the perfect example for all PE students. The most sincere and respectable child. He was the resource person for my class as Ujjwal will finish the work first and the rest will copy from him. He made all my online classes alive and kept me motivated. He is an intelligent, hardworking and talented boy. The most amazing and hidden talent of his is that he has nice public speaking skills which he never showed in school as well as having his youtube channel. I was lucky enough to get him in my class and to know him well. He will fly high and have a bright future. Best wishes to him.

He has set an example of online learning and research for others to follow; I won't be exaggerating if I have to use his name as an S.I unit of sincerity. Vigyat Tayal

If anyone asks me how a silent intellectual person does looks like, I will say “Vigyat Tayal”. Never asked any doubt in the class but also never let me down with his performance. He works alone and silently. He was not regular with his studies but he was capable of learning, grasping and revising the contents before examination in short span of time. Vigyat was a great cricketer who knows his role in the team. His mind works like a computer when his team is chasing a target. He will be remembered as an all rounder sciencee.

-Ms. Sarmistha Paul Sarkar

Yangan Konyak

A basketball player, a pro in computer games, the one with the massive appetite and a cool- minded science pupil- these are a few unique features which were observed about Yangan in his brief stay in school. He was someone who responded sincerely whenever asked about anything and at the time, can vanish in an instant from the boarding house whenever required. On the basketball court, he was a ravaging beast and, in the classroom, a slumbering boy. Howsoever, he was very decent in his scores always. I wish that he preserves his cool- minded nature always and accomplish noteworthy achievements in his life.
