

# House Farewells

- Shreeya Elangbam

Hosted by the class 11s of each house on the 7th of February, 2023, the house farewell was yet again an evening of nostalgia expressed transparently and felt wholeheartedly. It was the third consecutive farewell that was met by the grim presence of torrential rain. Nevertheless the night brought with it endless joy and spectacular entertainment.

The event began with the class 12s walking into their respective venues at 6:30 in the evening. Music was played and the show was set into motion. Each venue was skillfully and splendidly decorated by the juniors. Several performances were presented for the seniors. Song and

dance received grand applause, photos were taken and one could only hear choruses of laughter and general good cheer prevailed.

As the night rolled on, the seniors walked down memory lane and bundled up lost and scattered memories together with tears of joy. A few performances along with emotionally humorous speeches were delivered by the teachers. It was then time for the long awaited and most anticipated jam session which was followed by a cake cutting ceremony to bid our seniors farewell. A sumptuous dinner brought to an end an unforgettable evening.
