A House tracing its roots back to 1995, Bhoroli is the oldest girls' boarding house at The Assam Valley School. Bhoroli is more than a living space for every girl residing here. *The ache for home lives in all of us, the safe place where we can go as we are and not be judged.*

Kopili is a house that has always lived up to the house motto – ***To Strive, To Seek and to Never Give Up***. Representing the lioness, each girl is a courageous individual and talented in her own way. Be it the cultural or sports field, every girl shines in what they do. The girls are groomed to be self-respecting individuals with values that would make any family proud. Through the semesters, the girls have strived really hard. In Kopili, each girl is instilled with values and life lessons which will stay with them forever and help them once they go out of this safe environment into the real world. They are taught how to handle different situations and taught how to work under pressure. Kopili, as a house has always produced well groomed girls and tried to bring out the best in every girl. In Kopili, we believe that being fair should be something that one should always prioritise rather than focusing only on winning. Learning from our mistakes and celebrating each other's hard work is what Kopili believes in. Above all Kopili has always been a happy and contented house where every girl feels a sense of belonging and inclusion.

Manas is one of the campus' oldest boys' residences, still standing today with pride inscribed in every brick. Manas is a group of brilliant young people who have been indoctrinated with a strong sense of brotherhood and a never-say-die house spirit. This year, like any other, was eventful for Manas, with many ups and downs.

Manas performed admirably in the Inter-House events. Individually, many pupils excelled and made the House proud by winning numerous honours and medals in various sports. Manas did well in several Inter-House cultural activities too, which is our strong suit.

The House excelled in Inter-House English Debates, MUN, Movie-Making, and the One-Act play. Many pupils participated in IPSC events, Inter-School cultural events, and the Pune Fest, bringing glory to the school and the House.

The Manas boys' hard work in the classroom was reflected in their grades. Utkarsh Jajodia of ISC batch 2023 topped the commerce stream with a 96.5% in the board exams. We are pleased to announce that he passed the IIM exams and was admitted to IIM Rohtak. Aayat Hazarika was the ICSE topper of the House last year, scoring 97.6%.

We've accomplished a lot as individuals, as a family and as brothers this year. The House looks forward to more growth in the years ahead.
