

WHOLE SCHOOL COMMUNITY SERVICE PROGRAMME

The Social Service League launches a new program in 2023 that requires every student to participate in a community service project that benefits society as a whole. Students in grades 8 through 12 have participated in a variety of service projects in this fashion. The following lists some of these activities' highlights.

Service offered by class 12:- the objective was to bring awareness about menstrual hygiene, awareness on tobacco consumption, awareness on importance of child education, awareness on deficiency disease like Anaemia specially for the women.

CLASS 10 and 11:- Upgradation of children home in the Missionaries of Charity Tezpur.

Class-10 :- KGMT school

Class-9 and class 11:- upgradation of KGMT school building

Class – 8 :- collaborative art work on environmental issues in holy kids school and KGMT school.
