BLOOD DONATION CAMP

The Junior Red Cross Society of The Assam Valley School in collaboration with the Tezpur Medical College conducted a Blood Donation Campaign on 28 January, 2023 with the slogan "Donate Blood, Save Lives." Forty-four staff members of the school volunteered to be donors. The medical team was actively assisted by the JRC volunteers of the school, which is a mandatory activity. The students were enriched with knowledge, from learning the registration process to assisting in collecting blood. The event was successful and marked another step taken by the school toward community service.
