## ABOUT

Tihu House is not just a boarding house-it is a haven of laughter, joy, strength, and sisterhood for girls from Class 4 to Class 8 at The Assam Valley School. Nestled at the heart of their formative years, Tihu becomes the space where young girls learn to dream, to dance, to lead, and to grow. It is here that first friendships are formed over shared stories and midnight giggles, where shy smiles turn into confident voices, and where every child is gently guided into the rhythm of school life. Under the warm and watchful care of the Housemistresses, Dame, Resident Tutor, and tutors, the girls blossom into expressive, kind, and responsible individuals. Tihu stands as a beautiful blend of nurturing love and firm values-where girls are encouraged to embrace who they are while supporting one another with open hearts. Whether it's their radiant performances on stage, their energy on the sports field, or the quiet moments of helping a friend, every gesture speaks of the vibrant spirit that defines Tihu. With cheer in their voices and strength in their steps, the girls of Tihu carry forward a legacy of compassion, cooperation, and courage that will stay with them long after they leave its comforting walls.

## ABOUT

**J**inari, the youngest House of the school, has already made its mark-winning the Best House nine times alongside its brother house, Manas and showcasing extraordinary talent across all fields.

At the heart of every Jinari girl beats the spirit of the eagle and the wolf-symbols of determination and wisdom. More than a house, Jinari is a movement driven by talent, opportunity and unwavering dedication.

We value effort above all and live our motto of “Perseverance”. For us, success is not defined by talent alone but by the relentless pursuit of growth and the will to uplift others. True strength lies in perseverance-in striving for greatness not just for oneself, but for the collective good.

Jinari is a welcoming space where every new member finds opportunity and encouragement. Whether in cultural events, leadership, sports, or academics, we celebrate passion and commitment, ensuring every individual has a platform to shine. While we embrace progress, we stay rooted in tradition. Humility is a defining virtue-our legacy is built not on arrogance, but on respect, wisdom, and the ability to learn from the past.

Like eagles, we soar to great heights; like wolves, we stand united. Together, Jinari girls are a formidable force-strong, wise, and committed to empowering those who come after them.

## ABOUT

“To Strive, To Seek, and Never Give Up” is a motto that lives in the heart of every Dhansirian. Representing the lion, each student is courageous, fearless and uniquely talented. Whether in cultural pursuits, sports or academics, we are committed to giving our best in all that we do.

Dhansiri instills values and life lessons that stay with our boys long after they leave. We encourage stepping out of comfort zones, always aiming to bring out the best in each individual. Fair play and sportsmanship are core to our ethos—valued much above mere victory. We believe that true success lies in the humility gained from triumphs and the wisdom drawn from setbacks.

We celebrate each other’s efforts and grow through shared learning and reflection. For the past 27 years, Dhansiri has been more than just a house—it has been a home, and it always will be.
